All public safety agencies in Sacramento, Yolo, and Placer counties have partnered to have a state of the art community notification system to alert residents about emergency events and other important public safety information. This system enables us to provide you with critical information quickly in a variety of situations, such as severe weather, unexpected road closures, missing persons and evacuations of buildings or neighborhoods.

Save Cancel

Emergency is automatically chosen, you cannot unselect this option.

Everyone who signs up for Sacramento Alert will receive emergency notifications.

If you would like to receive **additional** notifications from the either Folsom or Citrus Heights, please check those boxes.

If you would **not** like additional notifications, please make sure that those boxes are not checked. **You will still receive emergency notifications.**
